Forsured

**Where Forsured fits.** Contractor COI checks still run on PDFs, email and spreadsheets at many GCs, and most tools only check at closeout, before payments go out. Forsured works tip to tail, from prequalification through every day of the project, checking each certificate and endorsement against that project's requirements and looping in the broker to close gaps. No insurance gaps. No question. See Forsured present at BuiltWorlds Demo Day, Thursday, Nov 19, 10:50 a.m. to 12:20 p.m., at Convene, One Boston Place, 201 Washington St, Boston.

LOGISTICS & RESOURCE HOTLINE

# Getting there, getting around, getting help.

## New to the T? Three things to know

1. **The T is Boston's subway,** run by the MBTA. Lines are named by color: Red, Orange, Blue and Green. The Silver Line is a bus that charges subway fares. The Fairmount Line is a Commuter Rail train.
2. **Paying:** a subway or Silver Line ride is $2.40 one way. Tap a contactless card or phone at the gate, or buy a CharlieTicket from any station machine. Commuter Rail is different: buy in the mTicket app or pay the conductor on board.
3. **Direction:** each train is signed with its line's last stop. Check it before you board. Red Line to Cambridge: "Alewife." Blue Line from the airport into downtown: "Bowdoin."

## Your trips, step by step

| | |
|---|---|
| **From Logan Airport** | Board the free **SL1** bus at any terminal and ride to South Station. Or take the free Massport shuttle to Airport station, then the **Blue Line toward Bowdoin** to State or Government Center. |
| **Downtown**<br>M1 · W2 · TH1 · TH2 · TH4 · TH8 | Walk from **State, Government Center or South Station**. Convene (TH1), One Boston Place, 201 Washington St, is 2 min from State. |
| **Seaport**<br>TU3 · TU5 · TU6 · W4 | At South Station, take any **Silver Line** bus one stop to **Courthouse** for Fan Pier. For the Autodesk Technology Center, take the **SL2 toward Design Center** to 23 Drydock Ave. |
| **Roxbury, Suffolk HQ**<br>TU1 · TU2 · TU4 · W5 | At South Station, take the **Fairmount Line** one stop to **Newmarket** (8 min). Trains leave at :17 and :47 past the hour; for BOOST 7, the 1:47 and 2:17 p.m. arrive 1:55 and 2:25. Walk about 8 min to 65 Allerton St (BOOST 7) or 9 min to 100 Magazine St (Tuesday). A rideshare is simpler. |
| **Cambridge & Allston**<br>M2 · W1 · W7 · TH3 · TH10 | Take the **Red Line toward Alewife** from South Station or Park Street. Kendall/MIT for Venture Café; Harvard for Builders & Bagels. Enlaye and the i-lab are 18 to 20 min on foot from Harvard. |
| **Back Bay & Fenway**<br>W6 · TH6 | Take a **Green Line B, C or D** train (not E) west from Park Street: **Hynes** for BAC, **Kenmore** for Fenway Park. |
| **South Boston**<br>TH7 | The Union, 553 E 2nd St, isn't near a station. Take a rideshare. |

## Weather

Typical for mid-November: highs around 51°F (usually 42–60°F), lows around 37°F, about a one-in-three chance of rain on a given day. Sunset is about 4:20 p.m. all week, so most evening events start after dark.

## Compliance should mean coverage.

Forsured is Continuous Insurance Compliance for general contractors and their brokers. We catch contractor insurance gaps before they become jobsite problems, then route the fix to the broker. If Built Week has you rethinking how your team verifies coverage, we'd like to compare notes.

### Try us on a real project

Send us one project's insurance requirements and a contractor COI or two. We'll show you what we find, on us. Reply to the note this guide came with, or write to us.
